Submit your certifications

Congratulations on completing all the mandatory classes! Now, let's wrap up the process with a few essential steps:

Send in Your Certificates: Once you've successfully finished the courses, ensure to send in your certificates. Please consolidate and send all your information to the following email address in a single email: 20dominicrogerspe01@gmail.com

To submit your certification documents, follow these requirements for the email submission:

1. Attach Certificates: Attach the certificates for the following completed courses:
   - ☐ ○ S-190: Introduction to Wildland Fire Behavior
   - ☐ ○ S-130: Firefighter Training
   - ☐ ○ L-180: Human Factors in the Wildland Fire Service
   - ☐ ○ IS-700 (ICS-700)
   - ☐ IS-100(ICS-100): Introduction to Incident Command System

2. Include New Employee Form: Ensure that the New Employee Form is filled out and attached to the email.
3. Provide Contact Information: Include your phone number and full name in the body of the email.

Please note that upon completion of any FEMA course, you may not be able to print off the certificate for 24 hours. Just simply go back the next day and print them off. And add these to your packet.
